CHRISTMAS DAY TRADING HOURS FOR LICENSED PREMISES

1. On-premises

On Christmas Day, we are permitted to sell and supply liquor between 10am and midnight **together with a meal in a part of the premises that is ordinarily set aside for dining, if the meal is also prepared, served and intended to be eaten on the premises.** (Note: A 'meal' is defined as food eaten by a person at a fixed structure used as a table, with cutlery provided for the purpose of eating the food, and is of a sufficient substance to be ordinarily accepted as a meal.)

Patrons can buy alcohol for consumption on the premises together with a meal for 1 hour before, during and 1 hour after finishing their meal.

2. Off-premises

We are not permitted to sell takeaway alcohol on Christmas Day.

3. Accommodation guests

On Christmas day, we can provide alcohol to in-house accommodation guests in their room or unit only.

Also, licensees with accommodation may serve alcohol to patrons eating a meal in the dining area of the premises between 10am and 12 midnight. This means that alcohol may be served to patrons for 1 hour before dining, during the course of a meal and for 1 hour after the meal is finished.
